2.2 Relationship to Other Courses

If this training course is operated under the same quality system as a training course your organization provides that is already accredited in the ArchiMate Certification Program, or for which accreditation is in process, please identify that course here:

TYPE RESPONSE HERE OR LEAVE AS NOT APPLICABLE TOGAF FOUNDATION AND CERTIFY

Rationale:

Training course providers may wish to accredit several courses in this Program that are operated under the same quality system. The Certification Authority only needs to assess the quality system once.

If this training course is operated under the same quality system as a training course accredited in a different Open Group Certification for People Program, or for which accreditation is in process, please identify that course here:

TYPE RESPONSE HERE OR LEAVE AS NOT APPLICABLE

Rationale:

Training course providers may wish to accredit a training course that is operated under the same quality system as a training course accredited in a different Open Group Certification for People Program. The Certification Authority may be able to reduce the depth of assessment of the quality system if the only changes have been editorial to include the addition of this course in the documentation.

3. Responsibility

Enter the name of the ATC Manager with overall responsibility for the quality and integrity of the training course:

TYPE ATC MANAGER NAME HERE

JOHN COLESHAW

Rationale:

The Organization must designate an ATC Manager for each ATC who is responsible for the operation, quality, and integrity of the ATC.

Reference:

The Open Group Certification for People: Training Course Accreditation Requirements, Section 2.3, Process and Quality System.

4. Type of Course

QUESTION 1: Which types of training does the training course named above cover?

7. Examinations

QUESTION 4: Do you offer an examination as an integral part of your training course?

Select from these alternatives:

- Yes always
- Sometimes but not always
- Never

If "**Sometimes**", provide brief details below.

TYPE RESPONSE HERE OR LEAVE AS NOT APPLICABLE

Rationale:

An Accredited Training Course provider may choose to make the examinations available as an integral part of their course, or to provide candidates with vouchers to access to the examinations at The Open Group's Examination Provider's public examination centers.

Reference:

The Open Group Certification for People: Training Course Accreditation Requirements, Section 4.1, Integral Examinations.

8. Revision History

Revision	Date of Completion	Reason for Revision
1.0	January 2012	Initial version of the ArchiMate 2 Training Course Accreditation CSQ
1.1	February 2013	Added ArchiMate Foundation level, Updated Examination and Delivery method options.
1.2	June 2014	Updated to align with the new The Open Group Certification for People: Training Course Accreditation Requirements, which supercedes the ArchiMate Certification for People: Training Course Accreditation Requirements. Removed question on practice exercises as they are no longer valid as an indicator of conformance.
